VoltVibe Corporate Event Checklist: Annual Executive Gala Organization Plan

1. Overview and Event Scope

This internal document details the organizational checklist, vendor SLAs, and security protocols for the VoltVibe Annual Executive Gala. The gala is a key corporate event designed to recognize outstanding sales performance, celebrate partner contributions, and host VIP customer tiers. The event is scheduled for December 15, 2026, in the Grand Ballroom at the Marriott Marquis.

2. Organization Checklist & Vendor SLAs

To guarantee execution, all organizing committee members must track their deliverables against the timeline matrix:

Deliverable Name	Responsible Team	Target Completion SLA	Vendor Details
AV / Stage Setup	IT Operations	Completed by 2:00 PM	Marriott AV services
Catering Check	HR Committee	Final headcount by Dec 1	Marriott Marquis Catering
Guest Check-in Desk	Marketing Support	Set up by 4:30 PM	VoltVibe internal staff
AV Clean-up	IT Operations	Completed by 2:00 AM	Marriott AV services

3. Venue Security Protocols & Credentials

Admittance to the Grand Ballroom requires valid credentials. Security checkpoints will be established at all primary entrance gates. VIP guests (specifically Gold and Platinum members) will receive digital entry passes via email, which must be scanned at the check-in desk to print physical access badges. Bags are subject to security searches, and no external battery packs or power storage units are allowed inside the ballroom.

3.1 Catering and Dietary Compliance

The plated dinner menu includes options for standard, vegan, and gluten-free dietary requirements. The catering coordinator must verify that dietary request cards are placed at the assigned guest tables. The open bar operates under strict liquor license compliance, and staff will request age verification ID cards for any guests appearing under 25 years of age.

3.2 Gala Entry and Discount Code Exclusions (Promo Exclusions)

GALA EXCLUSION RULE: Tickets for the VoltVibe Annual Executive Gala are strictly reservation-only and billed directly to departments. Standard employee discounts, VIP referral reward vouchers (governed by doc_25_vip_membership_terms.pdf), and battery recycling store credits (doc_24_environmental_recycling_policy.pdf) cannot be used to purchase admission tickets or cover guest registration fees. However, as a specific exception, Platinum VIP members are entitled to claim two complimentary gala tickets, provided they contact the CEO's office before November 1st to verify active account standings.
