

VoltVibe Certified Refurbished Quality Grade Matrix

Every refurbished device sold by VoltVibe undergoes a rigorous 30-point inspection and is categorized into one of three grades.

Refurbished Grade	Cosmetic Blemishes	Minimum Battery Health	Packaging & Accessories
Grade A (Like-New)	Zero visible scratches, dents, or scuffs on casing. Screen is pristine.	95% or higher	Original retail box (or VoltVibe white box) with OEM charger and cable.
Grade B (Light Wear)	Minor hairline scratches on bezel/back casing. No screen damage.	85% to 94%	Generic brown box with compatible third-party charger and cable.
Grade C (Value Grade)	Visible cosmetic wear, small dents on casing corners, minor scuffs.	80% to 84%	Generic brown box. Device only, charger sold separately.

Sidebar Notes:

- All refurbished grades include a 90-day limited warranty covering hardware defects.
- Devices with battery health scores below 80% are rejected and receive complete battery module replacements before grading.
- Cosmetic grades do not impact the device's computing functionality—all grades perform to factory standards.
