

VoltVibe Internal Strategy: Competitor Analysis - Policy Review of ElectroMart Corp.

Date: October 2025

This internal market research brief analyzes the customer-facing policies of competitor "ElectroMart" to assist VoltVibe in structuring our market positioning.

Key Competitor Findings:

- Return Policy: ElectroMart offers a 15-day return window with a flat 10% restocking fee on open boxes.
- Warranty: They do not offer default manufacturer coverage, instead driving sales of their proprietary third-party extended service contracts (ElectroShield).
- Free Shipping Threshold: ElectroMart applies a standard shipping rate of \$6.99 for all orders under \$75.00, compared to VoltVibe's standard free shipping options for small electronics.
